

ATOM **AP** 30

Great **things come in threes.**

Introducing **ATOM** – The Industry’s First Enterprise *Pluggable* Access Point.

Aerohive’s Atom AP30 revolutionizes the way Wi-Fi is designed & deployed – providing enterprise access, monitoring, and analytics in a new compact form factor.

From 1 October through 15 December 2018, Aerohive Distributors can save significantly on **3 Atom AP30 Pluggable Access Points** and their associated management license.

Speak to your Aerohive distributor for full details.

AEROHIVE NETWORKS’ TERMS & CONDITIONS
